THE  
ILLINOIS  
REPUBLICAN PARTY

Dear Friend,

We knew it wouldn't be easy.

But, when the 1992 campaign began, I made a solemn promise to you and to other loyal supporters of the Illinois Republican Party.

I vowed that our Republican team would do everything in our power to strengthen your voice in government.

We kept our promise. And, while the Democrats had success at the top of the ticket, Republicans down the ballot were winning BIG!

Our most historic victories were at the state legislative level where Illinois Republicans gained a total of nine seats -- and a majority in the State Senate!

In the State House, we had to overcome Speaker Madigan's well financed machine to gain five new seats and move within "striking distance" of a majority. And, with Republicans in control, new Senate President "Pate" Philip is joining forces with Governor Edgar to break the legislative logjam and move our state forward.

What's more, our voice in Washington is also stronger as a result of the '92 elections. In races for Congress, Republicans ended the campaign with a net gain of one seat. Democrat incumbent John Cox was ousted by Don Manzullo in the 16th Congressional District, while every Republican incumbent was re-elected.

Our success is even more remarkable when you consider that the national Republican campaign had conceded Illinois to Clinton early in the fall. That meant, for the most part, we were on our own.

Yet, we got the job done. Thanks to a special effort from you and other friends, we were able to assist our candidates as never before ...

We mailed absentee ballot applications to 500,000 Republican households and completed more than 300,000 phone calls to turn out our voters.

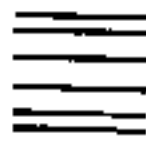

We registered over 140,000 new Illinois voters at a cost of 80 cents per voter.

In conjunction with the Bush-Quayle campaign, we designed and coordinated direct mailings to more than 650,000 voters and produced \$65,000 worth of materials -- yard signs, bumper stickers, and other specialty items.

Dear Mr. & Mrs. Boesborfer:

You've been a true friend to the Republican Party in Illinois. And as we recruit more candidates, register more voters and revitalize our Party in the months ahead, I'm confident you will continue to be at our side.

This is a critical time. Bill Clinton and his Washington cronies are determined to stop our progress here in Illinois. Our Party must be strong enough to stop them ... and to re-elect Jim Edgar, Bob Kustra, George Ryan and every Republican working to make government more efficient and hold the line on taxes.

Now, more than ever, your support as a Sustaining Member is vital to our success. Please, renew your Membership today.

THE  
ILLINOIS  
REPUBLICAN PARTY

Dear Friend,

As much as anyone, you understand what it takes to run a winning campaign for Illinois Republicans.

You know that it takes early preparation -- and, above all, early resources -- to counter the Democrats' advantage in money and manpower.

That's why, when I learned just a few moments ago that you haven't renewed your Sustaining Membership for 1993, my first reaction was disbelief. Then, I became concerned.

I just can't believe that you -- one of our Party's most faithful supporters -- would allow your Membership to expire this year, considering all we have accomplished together and all that's at stake in the coming elections.

If my previous letters never reached you, please accept my sincere apologies. However, if you simply haven't responded, please let me explain one last time how very vital your support is to our efforts.

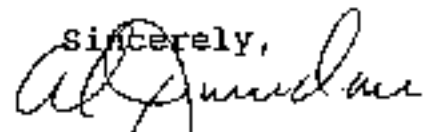

Unlike the Democrats, we aren't funded by the wealthy "special interests." We must rely on the modest, individual contributions of concerned citizens like you to fund our budget and fuel our political programs.

Right now, programs to register new voters and provide new training materials to candidates can't even get underway due to lack of funds. And this year above all, when we must lay the groundwork to re-elect our Governor and strengthen our Republican voice in Springfield and in Washington, we can't afford to do less.

Your support now can still make a difference. You can put us back on the right track, on the road to even more Republican victories and even better government.

You can help us make history -- again! -- in 1994. It's what we've worked for, together. But it can only happen, together.

Sincerely,

  
Al Jourdan  
Chairman

P.S. I know your principles haven't changed. I urge you to validate them, to put them into action, by accepting the enclosed card and rushing your Membership contribution. Please, do it today.

THE  
**ILLINOIS**  
REPUBLICAN PARTY  
HAROLD B. SMITH, CHAIRMAN

Dear Friend,

Your past support of Republicans truly sets you apart.

You have demonstrated your concern for better government through your financial commitment to our candidates and causes.

However ... it has come to my attention that you have not yet joined the Illinois Republican Party as a Sustaining Member.

Perhaps you haven't been asked.

If that's the case ... let me be the first to extend an invitation.

In fact, I'm going one step further. I've had the enclosed card already made out in your name. That's how confident I am that we can count on your support.

Sustaining Membership is a simple and effective way for you to help elect Republican candidates at every level of government here in Illinois. And by pooling our resources, we can have a real impact on the future of our government.

Quite frankly, your decision to join us couldn't come at a better time.

Even after ramming through the largest tax increase in history, Bill Clinton and his tax-and-spend friends in Washington aren't satisfied. They're looking to pick your pockets again in the name of health care "reform."

Meanwhile, in Springfield, Governor Edgar and Republicans who control the State Senate are doing the responsible thing. They've held the line on taxes, and they're taking on the Chicago "machine" politicians who want your tax dollars to pay for their bureaucratic boondoggles.

But these are two powerful political forces ... the big-government, Clinton crowd in Washington and the big-city, liberal interests in Illinois.

They're used to getting their way. And they realize that Republicans pose a real threat to their political power.

They're not about to go away quietly. In fact, they'll fight with every means at their disposal -- and raise every dollar they need! -- to elect more Democrats and maintain their strangle hold on the political process.

YES NO

Dear Miriam:

You've probably noticed the stickers above.

They represent the same choices Bill Clinton has had every day of his presidency. And, every time, he's picked the wrong one.

When it came time to decide if he'd keep his campaign promise for a middle-class tax cut, his answer was NO!

But when the question was higher taxes -- on income, on energy, even on Social Security benefits -- he couldn't wait to say YES!

On cutting the size of the Washington bureaucracy, Clinton stuck to his liberal guns and said NO!

But, when faced with dangerous cuts in America's military might, he was ready with a YES!

He expects us to swallow \$263 billion in new net taxes ... the largest tax hike in American history. And now he's preparing to sock it to us again on health care "reform."

On the recent budget vote, Illinois Democrats in Congress voted overwhelmingly for Clinton's higher taxes -- putting partisan politics before the people. Carol Mosely Braun even admitted that calls to her Senate office were running 10-to-1 against the plan. Yet, she still managed to do the wrong thing.

Of course, Clinton and his tax-and-spend friends aren't the only ones who have been making bad choices. Last fall, much of America was taken in by his campaign charade. Now, they realize they were just being taken -- for all they're worth.

I doubt you were one of those who said YES! to Bill Clinton in the last election. You've been such a loyal friend to our Party through the years that you probably voted for every Republican on your ballot.

But, even if I'm wrong, I'm offering you another chance to make the right choice. Your choice is simple: YES! ... or NO!

*Be sure to indicate your response on the reverse and attach the appropriate sticker to your reply envelope.*

YES! ... you'll help us stop the Clinton spending spree. You'll be a part of a massive, grassroots campaign of public pressure on him and his congressional cronies. You'll stick with Republican principles and policies.

... or ...

NO! ... we can't count on you. You don't mind that Clinton's budget-busting program has more than \$3 in tax increases for every \$1 in spending cuts. You trust him and the Democrats in Congress to spend your tax dollars effectively and efficiently.

The truth is, raising taxes has never reduced the deficit. Clinton's new taxes will destroy our economic recovery and cost jobs. Government bureaucracy will grow bigger, budgets will get fatter and the Democrat "leaders" in Congress will get MORE!

It's anti-taxpayer, anti-business, anti-military -- it's Bill Clinton's vision of America. And, already I've seen enough.

But what about you? Will you do your part today to put this nation back on a responsible, conservative course?

A simple YES! is all it will take. And a few dollars.

We will be able to fight these proposals in the media and on the airwaves, mobilize public opinion and build a Republican organization throughout Illinois.

We simply can't stand idly by and watch our hard-earned tax dollars siphoned off to fuel Clinton's big-government machine!

With the right answer from you today, I'm convinced we can stop the Clinton tax train in its tracks.

And here's the best part ... the more you are able to give to this effort today, the more success we may have in saving you from unwarranted taxes. In other words, your contribution of \$50 or \$100 now could actually save you hundreds more!

Please, tell me your answer is YES! Return the reply memo below with your most generous contribution. Send whatever you can but ... please ... do it today.

Unless we rise up and make our voices heard now, America will pay a heavy price later. For health care. For gasoline. For electricity. For virtually everything Bill Clinton and his tax-and-spend friends can get their hands on.

Stop them now, before it's too late. Let's say NO! to bigger government and higher taxes ... and YES! to a better America.

Sincerely,

*Harold B. Smith*

IT'S BEEN AN EXCITING TIME ... BUT AFTER 5 YEARS AS STATE REPUBLICAN CHAIRMAN, I HAVE DECIDED TO STEP ASIDE.

I TAKE WITH ME MANY PROUD MEMORIES, ESPECIALLY THE LASTING FRIENDSHIPS I HAVE MADE AND THE LOYAL SUPPORT I HAVE RECEIVED FROM REPUBLICANS LIKE YOU THROUGHOUT ILLINOIS. I AM MOST PROUD, HOWEVER, TO BE LEAVING OUR PARTY STRONG AND PREPARED.

TOGETHER, WE'VE HAD GREAT SUCCESS, CAPPED OFF BY OUR HISTORIC GAINS IN THE LEGISLATURE LAST FALL. WE WERE THE DECIDING VOTE IN FAVOR OF OUR REPUBLICAN REDISTRICTING PLAN, WHICH SET THE STAGE FOR OUR NEW MAJORITY IN THE STATE SENATE. WE ELECTED JIM EDGAR, BOB KUSTRA AND GEORGE RYAN, WHICH STRENGTHENED YOUR VOICE IN SPRINGFIELD.

FROM CANDIDATE RECRUITMENT AND TRAINING TO VOTER IDENTIFICATION AND TURNOUT, OUR PARTY'S PROGRAMS MADE THE DIFFERENCE IN KEY RACES. WE KNEW HOW TO WIN -- YOU GAVE US THE MEANS!

WE MUST NOT LOSE THE MOMENTUM THAT RESULTED IN OUR GREAT VICTORIES OF 1990 AND 1992. WE MUST NOT ALLOW VITAL PROGRAMS NOW IN PLACE TO FALTER, DUE TO LACK OF FUNDS, DURING THIS CRITICAL TRANSITION PERIOD.

WILL YOU GIVE ONCE MORE NOW -- AS MUCH AS \$25 OR EVEN \$30 -- TO KEEP YOUR PARTY MOVING FORWARD? OUR NEW CHAIRMAN, HAROLD SMITH, IS AN EXPERIENCED AND SKILLED PARTY LEADER. I AM CONFIDENT HE WILL DO AN OUTSTANDING JOB. HOWEVER, HE FACES FORMIDABLE CHALLENGES THAT WILL REQUIRE THE IMMEDIATE AND COMPLETE SUPPORT OF ALL GOOD REPUBLICANS.

YOU ARE AMONG THOSE GOOD REPUBLICANS, MARIETTA. IN FACT, YOU'RE ONE OF THE BEST. YOU'VE BEEN A TRUE FRIEND TO ME ... NOW, I ASK FOR THE SAME COMMITMENT TO HAROLD AND HIS "TEAM."

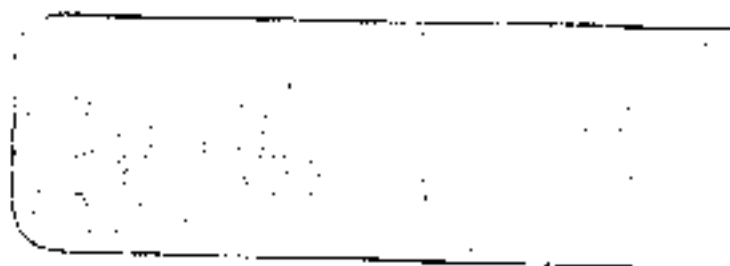

PLEASE, TODAY, ANSWER THE CALL ONCE MORE. RUSH YOUR CONTRIBUTION OF \$25 OR WHATEVER YOU CAN TO PARTY HEADQUARTERS. THANK YOU, FOR THIS AND PAST EFFORTS, ON BEHALF OF ILLINOIS REPUBLICANS.

AL JOURDAN

You're right, Harold. Loyal

Mr. Stephen C. Bruner

Dear Stephen:

You're special. You're a loyal friend to Illinois Republicans ... so much so that you have given generously to help our candidates and advance our cause. As much as anyone, you're the reason we're going to win ... and win BIG! ... in the next elections.

That's why I felt I had to show my appreciation in a BIG way, so I had the enclosed Certificate made especially for you. As you can see, it's printed in your name and signed by me -- I hope you'll accept it, along with my deepest gratitude.

What's more, I hope you'll frame your Certificate and display it in a prominent place so others will know how much you believe in our Party's principles. After all, you've done something very few can claim ... you've made a personal investment in better government. And you should be proud!

Of course, as you well know, every day brings a new challenge. The Clinton crowd here in the state has its sights set on the Governor's seat and on our Republican majority in the State Senate. We can't allow our opponents to advance any further -- and pick our pockets of even more tax dollars. We must be prepared to protect what is ours!

We know from experience with Big Spenders in government that more money isn't the only way to solve problems. But a few extra dollars toward our Party's programs right now, used effectively and efficiently, can make a critical difference in our victory plans for 1994.

That's why I've included a reply memo and postage-paid envelope with your Certificate. An additional contribution from you today of \$250, \$500 or any amount you see fit would be most welcomed ... and needed. Please help if you can.

Your past support has already put Illinois Republicans on the road to victory in '94. Your help again now will put us one step closer to our ultimate goal -- better government for all.

Sincerely,  

Harold B. Smith

P.S. On behalf of our candidates who benefit from your support, my heartfelt thanks for your help in the past and at this time.

Dear Friend:

You saw it in the recent elections in New Jersey and Virginia, even in New York City. People are rejecting the politics of the past and ready to trust their future to Republicans.

You see it every time Bill Clinton opens his mouth. People are realizing they've been conned by a smooth-talking politician who's broken every important promise he made and raised every tax he can find.

You see it in the people's faces, hear it in their voices.

They're tired of paying higher taxes to finance a bigger bureaucracy.

They're angry with double-talking Democrats like Clinton who campaign as conservatives but "lead" as liberals.

They're frightened for their families and their own personal safety because Democrats in Washington and in Springfield refuse to get tough on crime.

They're ready to re-invent government -- the Republican way!

I trust you're ready to help us.

The enclosed Sustaining Member card is a symbol of your past support of the Republican Party in Illinois. It means you have demonstrated an unswerving commitment to our Party's people and principles.

And, this year above all, we need your commitment.

Because in 1994, the opportunities are greater ... the stakes higher ... than ever before.

In the short time I have served as state Party chairman, I've been privileged to meet and visit with the real "heroes" whose unfailing support -- year after year, election after election -- keeps us moving forward.

( over, please )

Page two

Like the precinct committeewoman who helps recruit Republicans at a community center in Decatur.

Or the retired Navy commander and his wife who stand watch at their Lake Bluff polling place.

Or the young Galesburg couple who walk precincts and distribute literature in their neighborhood on behalf of Republican candidates.

These are the volunteers ... the heart and soul of our Party. They may support different candidates or hold different views on some issues, but they share one common bond.

They care deeply about the quality of their government. And they freely give of their time and dollars so Republicans can lead it.

You are one of those special individuals. Your past financial support of this Party has made us stronger, more secure and better prepared to meet the challenges of the next elections.

As much as anyone, you have put us in a position to win as we never have before ... to sweep Republicans into every major office in 1994.

Of course, our opponents aren't about to just step aside.

They are two powerful political forces: the big-government Clinton crowd in Washington and the big-city liberal interests here in Illinois. They realize that Republicans pose a real threat to their political power.

What's worse, they'll fight with every means at their disposal -- and raise every dollar they need! -- to elect more Democrats and strengthen their grip on power.

That's why we must re-elect Jim Edgar, Bob Kustra, George Ryan and every Illinois Republican who understands the value of a tax dollar and represents our interests in elected office.

That's why we must preserve our majority in the State Senate and win a majority in the State House.

That's why we must elect Judy Baar Topinka as State Treasurer, Leleta Didrickson as Comptroller, and take back the Attorney General's office to lead the fight against crime.

That's why we must strengthen our responsible, Republican voice in the Congress ... and keep the Democrats from picking our pockets of even more tax dollars.

( next page, please )

Page three

And that's why we must build an even stronger Republican Party in Illinois ... together. Will you help us, as you have so generously in the past?

The truth is, Clinton and his partisan political pals "deserve" the best effort we can give.

In less than a year as President, "Dollar Bill" has proven he's wrong for America. His plan to reform health care is just the latest of his big-government schemes. It wasn't enough that he taxed Social Security and raided Medicare to fund his budget. Now, he wants MORE!

On the other hand, Governor Edgar and Republican leaders in the legislature are meeting the state's needs within the budget and without new taxes.

In fact, they provide a daily example of why we need Republicans in control of the legislative process. REPUBLICAN LEADERSHIP DOES MAKE A DIFFERENCE!

To make a difference in the November elections, we must put our strategic plan into action immediately ... a plan that will utilize many state-of-the-art techniques and will result in more Republican victories.

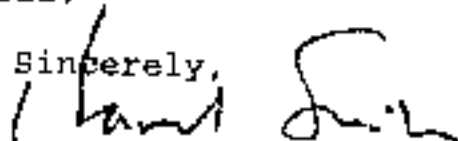

But modern-day technology carries a modern-day price tag. We need generous help from Republican friends like you to fully fund our 1994 Victory Plan.

I need you to renew your Sustaining Membership for the current year. I need you to activate the enclosed card by returning your Pledge Form and personal check in the postage-paid envelope provided. Please do it today.

Candidates are waiting for valuable training and technical assistance ... Voters are waiting to be registered ... Other vital programs are waiting to be funded before they can start.

Please help. Join us in a "revolution" throughout Illinois, a revolution for responsible government and a Republican future. The momentum is ours to use ... or lose!

Sincerely,

Harold B. Smith, Chairman

P.S. Early contributions from our Sustaining Members form the very foundation that supports our Party-building efforts. That's why I need you to rush your Pledge Form and Membership renewal check today, if at all possible.

Dear Friend,

I believe you're a loyal Republican ... one who understands the value of a strong State Party organization and the commitment we need to win. More than anything, your past support demonstrates how much you care.

That's why I was disappointed to learn that my previous letters have gone unanswered, and you haven't renewed your Sustaining Membership for 1994.

Can we still count on you?

The fact is, I must count on you. With all that's at stake for Illinois Republicans in this election year, we'll need the support of every friend who has helped us in the past.

The Governor's office, our State Senate majority ... everything we have worked for in recent years is at risk! The Democrats' slate of statewide candidates reads like a "Who's Who" of big-government, budget-busting liberals. But they are well funded, organized and determined to oust Republicans from control of state government. We can't afford to let that happen.

At the same time, we must send a message to Washington. Even though Bill Clinton isn't on the ballot, every Democrat in Congress we defeat is a "loss" for him. That's one less vote he can count on -- and one more Republican who will speak for us!

There is no time to lose.

Vital political programs, which are already underway in a number of targeted areas, may have to be suspended unless I hear from you. Please, today, renew your Membership so we can move forward with our plans and stay on course.

Together, in the past, we've made great strides on behalf of Illinois Republicans. Together, in 1994, we can make history!

Sincerely,

Harold B. Smith

P.S. We are "pinching every penny" to ensure adequate funds for our voter contact programs, so the enclosed card is the last one I can send you this year. Please detach and keep it with you, then activate it by rushing your most generous contribution.

At the same time, detach and mail the (NO) "Thank You" card to Clinton at the White House. You'll be joining thousands of your fellow Republicans from Illinois and throughout the country who are sending this same message to the President.

I assure you, YOUR VOICE WILL BE HEARD. Clinton and his advisers are reacting from citizens' opposition to everything from their attempts to socialize health care to the Whitewater scandal.

They're paying more attention to public reaction, thinking twice before unveiling more of their liberal spending schemes. Now is the perfect time to make your feelings known on taxes.

Meanwhile, with your financial support today, our Party will send a message of its own on election day!

We're poised for sweeping victories in November if we close ranks now. Can I count on you?

Dear Friend,

You've filed your federal income tax return -- or you're about to -- for 1993.

In Bill Clinton's eyes, you're making a generous "contribution" to his plans for America. And, you should be *thankful* he's leading this country.

In truth, he just picked your pockets. And, if you have anything left, hold on tight. Because, even now, he's planning to come back for MORE!

We should not be surprised.

There's a lot of talk these days about the Clintons' private life when he was Governor of Arkansas. The full story may never come to light. But his public record was revealing enough!

He raised taxes and fees 128 times.

His state ranked dead last among the 50 states in funds for fighting crime and protecting the environment.

By the time he left office, his policies had pushed the median income of Arkansas families to last in the nation.

Then ... as a candidate for President, he promised to do for America what he did for Arkansas. It didn't take him long.

\*File for the Illinois Republican State Central Committee, 1015½ Independence, Treasurer, Room 21 our report will be filed with the State Board of Elections, 1020 S. He's already given us the largest tax increase in history. It's also the first retroactive income tax hike -- even taxing the estates of **people** who died before Clinton was inaugurated!

Unfortunately, that's the only campaign promise Clinton has managed to keep.

He thumbed his nose at middle-class Americans after promising to cut their taxes. He ignored his pledge of tax credits for businesses that invest in new facilities to create jobs. He went back on his vow of tax incentives for energy conservation.

Instead, he raided Medicare to fund his bloated budget, raised our gasoline taxes, and socked the middle class with a larger tax burden than ever before.

And he won't stop there ... unless we stop him.

But what can we do now? After all, he won't be on the ballot again until 1996.

The fact is, *we can defeat Bill Clinton this year*. We can deflate his budget-busting programs before they ever get off the ground.

First, we must defeat Illinois Democrats in the Congress who are supporting his tax-and-spend agenda for America.

Second, we must elect Republicans at the state level who oppose the liberal Clinton philosophy -- and who will fight the unfunded mandates he continues to impose on state government.

If we succeed with these goals in 1994, Clinton will be "neutralized" and kept out of our pockets for the rest of his term in office!

Remember the last budget bill in Congress ... the one that raised our taxes by historic proportions? That passed by only *one vote*. One more Republican vote from Illinois would have been enough to kill it.

But defeating even one Democrat -- while protecting the seats we hold -- will take every available resource at our command.

For Illinois Republicans, the stakes are even higher this year. We can't afford a Governor like Dawn Clark Netsch who's already planning to raise taxes by \$2.5 billion. We must re-elect Jim Edgar and other Republicans on the November ballot ... and send a strong message to the "Clinton clones" in government that we won't stand for more of their tax-and-spend terrorism.

Achieving these goals will require an all-out effort. Clearly, while the Clinton "honeymoon" appears to be over, the power of the presidency is awesome.

You can expect the Clintons to do anything it takes -- and spend every campaign dollar they can get their hands on -- to reward their liberal Democrat friends who vote with them.

It happened in Chicago just last month.

Congressman Dan Rostenkowski, Clinton's powerful point man on health care, is being investigated for misuse of federal funds. Yet, he survived a tough Primary challenge thanks to a personal visit from the President and an "unexpected" flurry of federal projects into his district.

It can happen again.

We don't have to match our opponents dollar for dollar, but it's imperative that we have adequate funds to compete. *We must do more because there is more to do.*

It will only be possible if loyal Republicans like you step forward with another contribution at this critical time.

**I urge you to return the enclosed reply form *today* with your check for one of the amounts indicated.**
